ABOUT LEMAX

We are Lemax, a team of 80+ people building a web-based SaaS solution for travel agencies and tour operators. Our ambition is to become the leading travel software on the global level and transform the travel industry.

REQUIRED TECHNICAL SKILLS:

- Knowledge of C# or Java
- Experience in writing SQL queries
- JavaScript/jQuery, XML, JSON
- Understanding of Object-oriented design and concept

WHO ARE WE LOOKING FOR?

We hire enthusiastic young people who love what they do and are not afraid of challenges. If you're looking for an energetic, challenging and innovative work environment, you're on the right track! Previous experience is desirable but not mandatory.

WHAT ARE YOU GOING TO DO?

- Maintain a product that is globally recognized and is a game-changer in the travel industry
- Resolve bugs using .NET, ASP.Net, MSSQL (with the mentor's help at the beginning)
- Collaborate with the product team and create technical documentation
- Write unit tests

WHAT DO WE OFFER?

- **First and most important - your growth!**
 - regular 1on1 meetings with the team leader, career path, conferences & educations, office library, Tech rally
- **Healthy living**
 - fresh fruit, oats, snacks, coffee and other beverages for daily use and possibility to use Multisport card
- **Making your life easier**
 - paid sick leave, flexible working hours and partial work from home, assisting in getting home or cash loans, III pension pillar, baby bonus, additional days off for important life events
- **Fun team activities**
 - team buildings, office breakfasts, rooftop parties, movie nights, Christmas party and many more:)

SALARY RANGE
