

We're looking for individuals fluent in English, German, French, Dutch, Spanish, or Italian to participate in an advertisement.

At Indigo Meerkat, we produce TikTok-style ads for mobile games, and we seek international students who are fluent in the mentioned languages. To get a picture of the final product, check our [Instagram profile](#), where we posted a few examples.

Below are information for our next shoot where you could participate:

- Fee: €100/day
- Date: 25.02 - 03.03.2024 (you would participate on 1 day only)
- Requirements: Fluent in any mentioned language and relaxed in front of the camera

To determine if you're a good fit for the ads, we need to rate your language skills and presence in front of the camera. Please email us a short (10 - 15 second) introduction video of yourself at [hello@indigomeerkat.com](mailto:hello@indigomeerkat.com).
